

Know someone who could use a break? Looking to pamper a special friend? Give them the gift of a relaxing stay at the Stuart Avenue Inn. We can provide a candle lit dinner for two, or point them in the direction of a variety of restaurants. A sweet and savory breakfast is included and if you know what they REALLY like - let us know, and we'll be sure to include their special gift.

All we need is contact information for both the person purchasing and receiving the voucher and a credit card number to put the charges on. You will then receive a receipt and the voucher in the mail.

Our gift vouchers can be purchased in any dollar amount to be applied at the time of reservation. They expire one year from the date of purchase and are not refundable for cash.
